#### NOTICES.

Communications for this *Journal* must be sent in at least one month prior to the day of publication, or their insertion will in all probability be deferred.

We must not omit to mention that the tables appended to Dr. Farr's paper in this Number were *calculated and stereoglyphed*, at his office, by Scheutz's Calculating Machine—a very extraordinary achievement, it must be acknowledged, whatever opinions may be entertained as to the general utility or ultimate advantages of the invention.
